RE: Freedom of Information Act (FOIA) Request for Documents related to Applications for Underground Injection Control Permit Nos. WDW410, WDW411, WDW412 and WDW413 by TexCom Gulf Disposal LLC before the Texas Commission on Environmental Quality

Dear Sir/Madam:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552), I hereby request a copy of any and all documents concerning the Applications for Underground Injection Control Permit Nos. WDW410, WDW411, WDW412 and WDW413 by TexCom Gulf Disposal LLC before the Texas Commission on Environmental Quality, including any notes, memoranda, reports, studies, testing results, recordings and correspondence to or from any third party, including but not limited to the Texas Commission on Environmental Quality, landowners or the applicant, in the possession, custody or control of the United States Environmental Protection Agency.

Please call me at 512-226-0005 (or email me at dtrejo@kempsmith.com) if you have any questions. The TCEQ Docket No. is 2007-0204-WDW.

Also, please contact me if applicable fees to be charged to me as a result of this request will exceed \$300.

Sincerely,

KEMP SMITH LLP
